

**Houck Family Scholarship**  
**Honoring Outstanding Volunteers in the Arts**

**OVERVIEW**

At each LakeCities Ballet Theatre production, LBT uses local area high school, college, career, trade and technical school students as part of the technical crew. By including these young people working side by side with professional Lighting Directors and Art Directors, they gain experience that greatly enhances their daily learning of the theater and will benefit them if they choose to continue working in the theater arts. In our 2007-2008 season, LBT instituted the "LakeCities Ballet Theatre Student Scholarship" for deserving high school or college students who have worked with LBT and have displayed commitment, a strong work ethic and a professional attitude that is expected from all members of the LBT Company.

In 2013, LBT renamed the scholarship The Houck Family Scholarship in honor of one of LBT's treasured volunteers, Mike Houck, who passed away in 2010. The Houck Family Scholarship continues LBT's community enrichment vision by partnering with area high schools and colleges and offering aspiring theatrical arts students a chance to work in a professional environment.
